ABOUT THE PRESENTER:

Sheila Buck is an occupational therapist who has been working in the field of seating and mobility for over 20 years. She has presented papers and workshops at national and international conferences on topics of basic and advanced positioning with emphasis on pressure management, cognitive functioning and maintaining independent living skills and restraint reduction.

Sheila is the owner of Therapy NOW! Inc., in Southern Ontario, CANADA. Therapy NOW! is an occupational therapy company providing private consultation and education on seating and mobility assessments and prescription.

Most recently, Sheila has authored a clinical guide for seating and mobility titled: *'More Than 4 Wheels: Applying clinical practice to seating, mobility and assistive technology'*.

Exhibitors will be available to network and to showcase their products!
